

American Lincoln Part

American Lincoln Part - The American Lincoln division is currently associated with the Nilfisk Advance Industrial Group in Plymouth, MN, USA. They specialize in floor cleaning equipment which are recognized within the industry as strong and durable machinery that satisfies all the needs of larger infrastructure and heavy industry. Products made in America; the sales are conducted nationwide via national accounts, authorized distributors and direct Government sales.

The Clark Company, of Nilfisk Advance, and American Lincoln share the battery operated walk-behind model of floor scrubber. Clark has their manufacturing facilities in Springdale Arkansas. These kinds of scrubbers are on the market under the trade mark name "Encore". American Lincoln has the ability to supply warranty service, machinery and components for these scrubbers that carry both the Encore and Clarke logos.

Distributed in Wal-Mart and Target distribution centers, the 7765 floor scrubber model is the highest selling floor scrubber in American Lincoln's line and the 7765 has become a trusted model for many facility managers where results and efficiency matter. Recently, this floor scrubber model has been utilized by the architects in various construction projects like Lowes Home Improvement Stores and Home Depot's. Flooring contractors utilize this sweeper scrubber on site because of the model's supreme performance level and high standard of quality for polishing concrete.
