

Fork Mounted Sweeper

Fork Mounted Sweeper - This particular accessory really makes industrial sweeping jobs much easier to finish. The handy forklift mounted broom is designed for use with either wet or dry material clean ups. It can squeegee water and push snow without difficulty. This attachment is often utilized in order to clean garbage from construction sites, docks, parking lots, warehouses and almost anyplace it is considered necessary. The lift truck sweeper is a low maintenance accessory which uses quick-tite tie products to effortlessly connect to the lift truck.
