

Trek Part

Trek Parts - TREK Cleaning Machines is a machine manufacturer who is passionate about the cleaning trade. The company's founders, Jim Hartsock, Chris Knowlton and Bob O'Hara, have more than 60 years combined experience with successfully marketing, manufacturing, designing, developing and offering customer support. The company's cutting edge flair is a reflection of the entrepreneurial style of the founders. They really believe in delivering true value to their customers and are committed to providing top quality and new design concepts so as to meet the diverse requirements of their clients.

In their product development; TREK Cleaning Machines always provides fresh design concepts. They enjoy providing items that energize both their dealers and their partners and offer production gains to their clients.

The team at TREK likes handling new challenges and tasks. They are proud to launch their new Torsion scrubber line and all of its breakthrough technology. This line was motivated by the understanding of operators' requirements and skills combined with their comprehension of cleaning applications, along with owners' strong desire to considerably lessen cost through productivity gains.

The staffs at TREK and their dealer-partners are really devoted to having both technical support and parts available when it is needed. Their high service devotion is among the core values in their customer service. Keeping their clients' cleaning machinery ready and working day by day is top priority. The company's top of the line technology delivers dependable equipment which ultimately reduces your cost of cleaning. The price, the service and the product all work as one to be able to make them the leader in the trade.
